**CONCERNING THE IMMUNIZATION OF CHILDREN  
PRIOR TO SCHOOL ENTRY  
Section 2. 25-4-903, Colorado Revised Statutes**

---

It is the responsibility of the parent or legal guardian to have his or her child immunized unless the child is exempted. A student shall be exempted from receiving the required immunizations in the following manner:

(a) By submitting to the student's school certification from a licensed physician that the physical condition of the student is such that one or more specified immunizations would endanger his or her life or health or is medically contraindicated due to other medical conditions:  
or

(b) By submitting to the student's school a statement of exemption signed by one parent or guardian or the emancipated student or student eighteen years of age or older that the parent, guardian, or student is an adherent to a religious belief whose teachings are opposed to immunizations or that the parent or guardian or the emancipated student or student eighteen years of age or older has a personal belief that is opposed to immunizations.

I have been informed by the Aurora Public schools of my rights regarding exemptions to the Colorado Immunization Law.
