

2009-10 Immunization Requirements

Effective July 1, 2009, all students are required to have the following immunizations. Students who are not compliant with these immunizations will need to have a plan for completion in place or they will be denied attendance according to Colorado Revised Statutes 25-4-902.

Required Elementary Student Immunizations

Kindergarten, Grades 1 & 2

5 - DTaP*
4 - Polio**
2 – MMR***
3 - Hepatitis B
2 - Varicella (Or with **medical**
proof of disease history)

3rd – 5th Grade

5 - DTaP*
4 - Polio**
2 – MMR***
3 - Hepatitis B
1 – Varicella

* If the fourth dose of DtaP was given on or after the 4th birthday, only four doses are required.

** If the third dose of Polio was given on or after the 4th birthday, only three doses are required.

*** Measles, Mumps and Rubella combination.

Required Middle School Student Immunizations

Grades 6, 7 & 8

5 – Td/Dt/DTP*
**1 – Tdap (vaccine with
Pertussis booster)****
4 - Polio*
2 – MMR***
3 - HB (Hepatitis B)
1 - Varicella (or history of disease)

*A child who began immunizations at an older age may be certified with fewer doses. Check with your school nurse or physician regarding exceptions.

Tdap is a recent vaccine which contains a **Pertussis booster (for whooping cough)

***Measles, Mumps and Rubella combination.

Required High School Student Immunizations

Grade 9

5 - Tetanus/Diphtheria (or 4 doses, if one is
after the 4th birthday)*
4 – Polio (3, if one dose is after age 4)*
2 – MMR***
3 - HB (Hepatitis B)
1 - Varicella

Grades 10, 11 & 12

5 or 4 Tetanus/Diphtheria (as grade 9)
1 – Tdap ** (in addition to grade 9)
4 or 3 – Polio (as grade 9)
2 – MMR***
3 – HB (Hepatitis B)

*A student who began immunizations at an older age may be certified with fewer doses. Check with your school nurse or physician regarding exceptions.

** Tdap is a recent vaccine, which contains a **Pertussis** booster (for whooping cough).

*** Measles, Mumps and Rubella combination.

Contact your family physician for immunizations your child may need. If you do not have a physician, you can call the Tri-County Health Department at 303.451.0123 to learn where to obtain the required immunizations at low cost. ALWAYS bring a shot record to the immunization clinic.

Medical, religious and personal exemptions continue to be an option.
